The Linwood Center is a welcoming social group for adults over age 60. While providing a fun and friendly environment for retirees, the Linwood Center is also there for those who live alone and want the daily companionship of others.

The center promotes an improved quality of life while providing stimulating activities, and assistance with personal care and case management when needed.

A healthy breakfast and lunch are offered daily. Scheduled events include exercise, games, armchair travel, live music, volunteer opportunities, and day trips.
